Clubs of Marlborough
42 Alfred Street
BLENHEIM

Dear Kelly

Earlier this month the Marlborough Motorcycle Club hosted the Leatt New Zealand Junior Moto-X nationals.

In January we approached the Clubs of Marlborough with an enquiry to holding the end of event prize giving in the downstairs function room. While we were firming the details for prize giving, management approached us to ask if there was any other way the Clubs of Marlborough could be involved with our event. What went from being purely a venue for our prize giving, turned into a venue to have our pre-event sign in on the Thursday afternoon with the Clubs of Marlborough allowing us to set up a display in the foyer, decorate the main bar area with posters and signage for the event and effectively give us a HQ to kick off this national event. The Clubs of Marlborough sat down with us discussed menu options for the prize giving, put together a welcome pack, made numerous positive suggestions and options available to us leading up to the event. All the staff went out of their way to make our visiting riders and parents feel welcome and this was mentioned by several of the parents over the weekend what a fantastic venue it is.

If you were looking at holding any event in Marlborough I would highly recommend that you contact the team at the Clubs of Marlborough and see what they can offer to make your event even more professional.

Yours sincerely
