

Survey Results and Solutions. This is part six of a series of newsletter articles informing Members of the results and of any solutions (to be) implemented from the survey feedback. The full series of these articles can be viewed on the Clubs Website www.clubsofmarlborough.org by clicking on the "About" page.

Theatre Goer. There were five questions associated with this section about perceived Theatre usage. Keeping in mind the older age group that responded to the survey more than half (58.5%) of the 1571 responses said they were or would be Theatre Goers.

Of those 62.6% said they would have a '**Club meal before a show**', 53.6% said they would '**socialise (at the Club) before a show**', only 37.2% said they would '**socialise after a show**' (depending on what time it finished) and a huge percentage (69.4%) said they would support '**dinner and show promotions**'

Solutions. Once the disruptions of the Taylor's Bar & Eatery refurbishments are completed and our new facilities tested we will be providing a series of options for Theatre Goers in relation to '**socialising before a show**' and '**dinner and show promotions**'. These will be promoted through our normal medium as well as our monthly Birthday Voucher mail-outs.
