

Survey Results and Solution

This is part eight of a series of newsletter articles informing Members of the results and of any solutions (to be) implemented from the survey feedback. The full series of these articles can be viewed on the Clubs Website

www.clubsofmarlborough.org by clicking on the "About" page.

The first seven issues dealt direct with the percentage results of the various questions asked in the survey but for the remainder of this series I will be reporting on the many numerous suggestions that members freely made about the entire Club operation and what, if any, action will be taken.

The first item that features on the suggestions received from the survey was Membership Draws, in particular when drawn till struck. This item has been listed in General Business for when your Committee meets on the 25 October and the outcome of those discussions in relation to Membership Draws will feature in next week's newsletter.
